Let our technology do the work for you.

With its easy-to-use touch screen display, enhanced features and eye-catching design, the ECOSYS M3860idnf Series simplifies tasks and helps you accomplish more in less time. The Series offers high productivity print speeds of up to 62 ppm, quick Statement and StatementR print times, and a total output capacity of up to 2,600 Sheets.

Ideal for document intensive, small-to-medium sized businesses that requires print, copy, scan and a fax solution, the ECOSYS M3860idnf and ECOSYS M3860idn offer a standard 100-sheet Dual Scan Document Processor, exceptional print quality up to 1200 dpi, and expandable finishing and storage capabilities, all in a compact footprint. And, for workgroups that require additional processing power, there is an upgradable memory option to 2.5GB and expandable storage up to 128GB.

These powerful multifunction printers can meet the full range of end-user demands including:
+ Ability to scan high volume of originals
+ Finishing capabilities
+ Wireless and Wi-Fi Direct capabilities
+ Expandable memory
+ Ability to customize workflow

The ECOSYS M3860idnf Series offers enhanced usability and remote service features such as Scan to Folder Setup Tool and Remote Panel via KYOCERA Fleet Services (KFS). Additionally, the Series offers optional wireless and Wi-Fi-Direct support and an array of mobile print functionality, including KYOCERA Mobile Print.

Designed to reduce waste and unnecessary energy consumption, the ECOSYS M3860idnf Series is fully ENERGY STAR® compliant. Featuring both high-yield consumables and programmable Energy Saver functions, these eco-friendly MFPs will not only minimize your environmental impact, but lower your TCO as well.

Professional Finishing

Simplify tasks while giving your documents that look of quality. While the ECOSYS M3860idn offers manual stapling, the ECOSYS M3860idnf has a standard internal finisher tray for sort and collate capabilities and an auto-staple function for up to 50 sheets.

High Capacity Toner

The impressive ECOSYS M3860idnf Series offers high capacity toner yields of up to 40,000 images. This translates to greater efficiency, economic savings and reduced impact on the environment.

HyPAS™ Capable

The innovative HyPAS™ software platform expands the ECOSYS M3860idnf Series core capabilities with simple touch-screen operations that address unique workflow needs. Thus, paper documents are cost-effectively routed into an efficient digital workflow, helping to control costs, secure processes and gain the competitive edge. HyPAS™ business apps are developed in direct response to the universal need to increase efficiency in the workplace and reduce operational costs.

Enhanced Security

Concerned about unauthorized access to confidential information? Kyocera's security tools keep information and access under control. The ECOSYS M3860idnf offers an additional layer of security with the UG-35 TPM (Trusted Platform Module) Security Chip. Both models come standard with Free Data Security Kit activation that safeguards information by overwriting and encrypting data stored in the MFP's memory in addition to private print, password protection, local or network authentication, ID card authentication, and remote security administration through KYOCERA Fleet Services (KFS) and KYOCERA Net Manager (KNM).

KYOCERA

Match the needs of your team and your workflow with the right device. For detailed information regarding the performance of the individual models listed below, please refer to the ECOSYS M3860idnf Series Specifications Guide.

Specifications

ECOSYS M3860idnf

Pages Per Minute:
Letter: 62 ppm, Legal: 50 ppm,
Statement: 92 ppm, StatementR: 32 ppm
Warm Up Time: 25 Seconds or Less (Power On)
First Page Out:
Copy: 6 Seconds or Less ; Print: 4.5 Seconds or Less
Display: 7" Color Touch Screen Display (TSI)
Memory: Std/Max: 1 GB / 3 GB
Paper Capacity: Std/Max: 600 / 2,600 Sheets
Weight: 80.5 lbs.
Maximum Monthly Duty Cycle:
300,000 Pages per Month

ECOSYS M3860idn

Pages Per Minute:
Letter: 62 ppm, Legal: 50 ppm,
Statement: 92 ppm, StatementR: 32 ppm
Warm Up Time: 25 Seconds or Less (Power On)
First Page Out:
Copy: 6 Seconds or Less ; Print: 4.5 Seconds or Less
Display: 7" Color Touch Screen Display (TSI)
Memory: Std/Max: 1 GB / 3 GB
Paper Capacity: Std/Max: 600 / 2,600 Sheets
Weight: 54 lbs.
Maximum Monthly Duty Cycle:
300,000 Pages per Month

ECOSYS M3655idn

Pages Per Minute:
Letter: 57 ppm, Legal: 46 ppm,
Statement: 84 ppm*, StatementR: 29 ppm
Warm Up Time: 25 Seconds or Less (Power On)
First Page Out:
Copy: 6 Seconds or Less ; Print: 4.9 Seconds or Less
Display: 7" Color Touch Screen Display (TSI)
Memory: Std/Max: 1 GB / 3 GB
Paper Capacity: Std/Max: 600 / 2,600 Sheets
Weight: 53.1 lbs.
Maximum Monthly Duty Cycle:
250,000 Pages per Month
* As of March 2019

ECOSYS M3645idn

Pages Per Minute:
Letter: 47 ppm, Legal: 38 ppm,
StatementR: 23 ppm
Warm Up Time: 21 Seconds or Less (Power On)
First Page Out:
Copy: 7 Seconds or Less ; Print: 5.9 Seconds or Less
Display: 7" Color Touch Screen Display (TSI)
Memory: Std/Max: 1 GB / 3 GB
Paper Capacity: Std/Max: 600 / 2,600 Sheets
Weight: 49.6 lbs.
