

Powerful printers. Unrivalled productivity.

usa.kyoceradocumentsolutions.com

A full range of possibilities.

Designed to meet the growing needs of small to mid-size businesses, the ECOSYS P3260dn Series of printers delivers desktop power at impressive speeds. Packed with the latest technology, the ECOSYS Printer Series produces crisp, black and white images from first print to last. Explore our full range of printing features, including the cost-effective, optional high-yield, 40,000 image toner cartridge, available on the P3260dn printer.

Discover all that these printers have to offer:

- + High productivity with print speeds up to 62 pages per minute
- + Resolutions up to Fine 1200 dpi
- + Convenient mobile printing with Wireless LAN and Wi-Fi Direct options
- + Walk-up printing from a USB thumb drive
- + Data Security Kit option with Free Activation

The ECOSYS Series was developed with functions that reduce waste and unnecessary energy consumption. These eco-friendly printers are ENERGY STAR® compliant and feature our patented drum technology to lower both your TCO and your environmental impact.

Stay Connected

ECOSYS Series Printers lets the on-the-go workforce wirelessly print from handheld devices so hardcopy can be accessed whenever or wherever it's needed.

- + KYOCERA Mobile Print
Enables printing from any iOS or Android mobile device
- + Google Cloud Print™
Access and print documents from anywhere using your mobile device
- + Mopria® Print Services
Print from an Android (4.4 or later) device
- + Apple AirPrint®
Print from any iOS or OS X device on the same network

Enhanced Security

Help protect information from getting into the wrong hands with Kyocera's Card Authentication Kit option. This plug-and-play solution only allows users who are issued an HID proximity card access to the printer's functions; the administrative software and card reader easily connect to the printer's USB port.

Kyocera's optional Data Security Kit helps safeguard mission-critical information by overwriting and encrypting print data stored in the printer's internal memory.

And, with every Data Security Kit, Kyocera offers Free Activation on many of our printers. Rely on Kyocera's security tools to keep information and access under control.

Remote Monitoring Redefined

KYOCERA Fleet Services (KFS), is a highly-secure cloud-based monitoring solution that offers real-time visibility info:

- + Device Status: Take a proactive approach to error resolution to ensure that your fleet operates at peak performance.
- + Counter Activity: Automatic meter reading for accurate and timely billing.
- + Supply Levels: View consumable levels to prevent unnecessary workflow interruptions.
- + Usage Trends: Identify print, copy, scan and error code trends to make more informed decisions.

There's an App for That

Empower your workforce to maximize workflow efficiency, productivity and security with KYOCERA Net Manager (KNM). This server-based solution offers a simple, yet comprehensive system for secure output, user management, job tracking and auditing.

Get a better understanding of your print environment and its costs while you monitor networked devices and alerts. And, the Print&Follow feature releases jobs where and when you want with confidential integrity.

Match the needs of your team and your workflow with the right device. For detailed information regarding the performance of the individual models listed below, please refer to the ECOSYS P3260dn Series Specifications.

Specifications

ECOSYS P3260dn

Pages Per Minute:
Letter: 62 ppm, Legal: 50 ppm,
Statement: 92 ppm, StatementR: 32 ppm
Warm Up Time: 25 Seconds or Less (Power On)
First Page Out: Print: 4.5 Seconds or Less
Display: 5 Line LCD with Hard Key Control Panel
Memory: Std/Max: 512 MB / 2.5 GB
Paper Capacity: Std/Max: 600 / 2,600 Sheets
Weight: 34.2 lbs.
Maximum Monthly Duty Cycle: 300,000 Pages per Month

ECOSYS P3155dn

Pages Per Minute:
Letter: 57 ppm, Legal: 46 ppm,
Statement: 84 ppm, StatementR: 29 ppm
Warm Up Time: 25 Seconds or Less (Power On)
First Page Out: Print: 4.5 Seconds or Less
Display: 5 Line LCD with Hard Key Control Panel
Memory: Std/Max: 512 MB / 2.5 GB
Paper Capacity: Std/Max: 600 / 2,600 Sheets
Weight: 34 lbs.
Maximum Monthly Duty Cycle: 250,000 Pages per Month

ECOSYS P3150dn

Pages Per Minute:
Letter: 52 ppm, Legal: 42 ppm,
Statement: 76 ppm, StatementR: 27 ppm
Warm Up Time: 20 Seconds or Less (Power On)
First Page Out: Print: 5.4 Seconds or Less
Display: 5 Line LCD with Hard Key Control Panel
Memory: Std/Max: 512 MB / 2.5 GB
Paper Capacity: Std/Max: 600 / 2,600 Sheets
Weight: 34 lbs.
Maximum Monthly Duty Cycle: 200,000 Pages per Month

ECOSYS P3145dn

Pages Per Minute:
Letter: 47 ppm, Legal: 38 ppm,
StatementR: 23 ppm
Warm Up Time: 16 Seconds or Less (Power On)
First Page Out: Print: 5.3 Seconds or Less
Display: 5 Line LCD with Hard Key Control Panel
Memory: Std/Max: 512 MB / 2.5 GB
Paper Capacity: Std/Max: 600 / 2,600 Sheets
Weight: 31 lbs.
Maximum Monthly Duty Cycle: 150,000 Pages per Month

PF-3110 Paper Feeder

500 Sheet Capacity
Add up to 4 on any ECOSYS P3260dn Series Printers
